

- all **weigh-in** times will remain the same. Should the meet unexpectedly run behind schedule, it will **NOT** affect **weigh-in** times. Delays only add more time before **lift** times
- the startlist (aka athlete roster) below is not sorted by rank or total but rather by date of registration
- this is not a championship event and is a local level competition. As such, athletes may move up a weight class should they not make weight on the day of the event
- the "lot" numbers (athlete assigned numbers determining order of weigh-ins and lifting attempts) will be randomly assigned prior to weigh-ins
